BUILDING TEACHER CAPACITY REFLECTION QUESTIONS

QUESTION	YOUR REFLECTION
Where does your story begin?	
What comes to your mind when you think of your own mathematical identity?	
How many people in your family have advanced degrees?	
When in Undergrad, how often did you talk about math inequities?	
How will you start coaching in a way that builds teacher capacity?	

PROMOTING TRANSPARENCY REFLECTION QUESTIONS

QUESTION	YOUR REFLECTION
What is your definition of a math coach?	
How will you share your weekly schedule with others?	
What is your plan for connecting with principals?	
What is your plan for helping teachers and buildings more clearly see and understand their current beliefs and practices?	

MODELING PASSION REFLECTION QUESTIONS

QUESTION	YOUR REFLECTION
What books do you want to add to your current reading list?	
Which blogs do you already read? How will you discover more sources?	
Which podcasts will you try out? When will you listen?	
What is your plan for sharing what you are learning?	

MAINTAINING ORGANIZATION REFLECTION QUESTIONS

QUESTION	YOUR REFLECTION
What is your current organizational routine?	
What do you want to change about your current plan?	
What is your plan for documenting your breakdown of time and logging your coaching interactions?	

BEGINNING EQUITY-BASED CONVERSATIONS REFLECTION QUESTIONS

QUESTION	YOUR REFLECTION
How comfortable are you in starting equity-based conversations?	
What worries you about starting equity-based conversations?	
What supports would you ask for from your district in order to help accelerate this process so that change and equity manifests as quickly as possible in your district?	

CALL TO ACTION REFLECTION QUESTIONS

5 CORE VALUES FOR COACHES

1. BUILDING TEACHER CAPACITY
2. PROMOTING TRANSPARENCY
3. MODELING PASSION
4. MAINTAINING ORGANIZATION
5. BEGINNING EQUITY-BASED CONVERSATIONS

QUESTION	YOUR REFLECTION
Which of these core values really resonated with you? Why?	
Who will be your accountability partner? Where and how often will you meet?
